| <b>Must reading:</b>                                     | 19,5 KMW  |
| <b>Fermentation:</b>                                     | 7 days in a steel tank  |
| <b>Malolactic:</b>                                       | In a steel tank   |
| <b>Maturation:</b>                                       | In large wooden barrels   |
| <b>Alcohol:</b>  | 12,5 Vol %  |
| <b>Acidity:</b>  | 5,6 g/l   |
| <b>Residual sugar:</b>                                   | 1,0 g/l   |
| <b>Drinking temperature</b>                              | 15°C  |
| <b>Overall impression:</b>                               | Ruby red with violet highlights, fresh bouquet with delicate toasty aroms, youthful firm taste with pure berry flavors. Vibrant and vitale freshingfruit, nicely balanced. Plenty of drinking pleasure! |
| <b>Culinary Tip:</b>                                     | The wine companion par excellence for pasta and pizza! A red wine that enhances flavorful fishes as well as boiled beef dishes.   |
| <b>Christian Fischer says to his Blauen Portugieser:</b> | Our oldest vines! Portugieser is a wine with history; we hope that it will soon be awarded its rightful place among red wines. We like to drink this mild red wine slightly chilled all summer long.    |
